

REMARKS/ARGUMENTS

This Supplemental Amendment corrects claims in addition to the one corrected in the Request for Reconsideration filed July 19, 2007. Specifically, claims 1 and 9 have also been amended to remove overlooked references to snapshotting and journaling. Claim 25 has been left as Currently Amended to provide a complete set of claim changes from before July 19, 2007. Applicants do not repeat the substantive arguments made in the Request for Reconsideration. Applicants submit that entry of these amendments is proper as being directed to typographical errors.

Respectfully submitted,
